

## **Change to dates for the Mount Coolum Walking Track Closure**

Due to weather, the track is expected to be closed for 2 days during the 17th and 24th March and for 1 day during the 30th March and 1st April, weather permitting. Please note that these dates have changed from previously advertised 10<sup>th</sup>, 11<sup>th</sup> and 31<sup>st</sup> March.

Mount Coolum walking track will be closed to the public for three days in March to allow for replacement of an aircraft hazard obstacle light owned and operated by the Sunshine Coast Regional Council.

The electrical supply for the light is being replaced with a solar powered alternative.

Construction workers, equipment and materials will be transported by helicopter to the summit during the installation work. The walking track closure is required to ensure safety of the public while helicopter operations are undertaken.

Barriers and signage advising of the works will be erected at the start of the track.

We apologise for any inconvenience this may cause.

For any further information please contact Mr Paul Watson Sunshine Coast Airport  
Phone 07 5453 1527.
